Voting exclusions

Item 2 – Adoption of remuneration report

In accordance with the Corporations Act, votes on Item 2 may not be cast in any capacity by or on behalf of a member of the Company's Key Management Personnel (**KMP**) whose remuneration details are included in the Remuneration Report for the year ended 30 June 2025 or any of that person's Closely Related Parties (as defined in the Glossary) unless:

- the vote is cast by such a person as a proxy for a person who is entitled to vote on Item 2 and in accordance with a direction on the proxy form specifying the way the proxy is to vote on the resolution; or
- the vote is cast by the Chair as a proxy for a person who is entitled to vote on Item 2 and the proxy form expressly authorises the Chair to exercise the proxy even though the resolution is connected directly or indirectly with the remuneration of a member of the KMP.

If you intend to appoint a member of the KMP (such as one of the Directors) as your proxy, please ensure that you direct them how to vote on Item 2. If you appoint the Chair as your proxy, and you do not direct your proxy how to vote on Item 2, you will be expressly authorising the Chair to exercise the proxy even though the resolution is connected with the remuneration of members of the KMP.

As required by the Listing Rules, the Company will disregard any votes cast in favour of Item 4 by or on behalf of:

Explanatory notes

These explanatory notes have been prepared for shareholders in connection with the business to be conducted at the Annual General Meeting (**Meeting**) to be held at 9:00am (Sydney time) on Friday, 21 November 2025 at Sundaraj & Ker, Level 31, Australia Square, 264 George Street, Sydney NSW 2000.

These notes provide information which the Directors believe to be material to shareholders in deciding how to vote on the resolutions to be put to the Meeting.

If you are in any doubt about what to do in relation to this document or about how to vote on the resolutions to be put to the Meeting, you should seek advice from an accountant, solicitor or other professional advisor.

Item 1 – Financial report, directors’ report and auditor’s report

As required by the Corporations Act, the business of the Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2025 together with the director’s report, the Remuneration Report and the auditor’s report. These reports are all included in the Company’s Annual Report, which was lodged with the ASX on 22 September 2025.

The Company is no longer required to send a copy of the Annual Report to shareholders unless shareholders specifically elect to receive a copy.

No resolution is required for this item, but shareholders will be given the opportunity to ask questions and to make comments on the reports. In addition, the Company’s auditor, Yang (Bessie) Zhang of SW Audit will be present at the Meeting and shareholders will have an opportunity to ask questions of the auditor in relation to the conduct of the audit and the content of the financial report and auditor’s report.

Item 2 – Adoption of Remuneration Report

Section 250R of the Corporations Act requires a listed company to put a resolution to shareholders to adopt its Remuneration Report for the relevant financial year. The Company’s Remuneration Report for the financial year ended 30 June 2025 can be found at pages 12 to 17 of the Company’s Annual Report.

The Remuneration Report explains the Board’s policies in relation to the nature and level of remuneration paid to the Company’s Key Management Personnel (including the Company’s Chief Executive Officer and other senior executives, as well as the Company’s Non-Executive Directors).

The vote on the Remuneration Report is advisory only and does not bind the Directors or the Company. However, under the Corporations Act:

- if at least 25% of the votes cast at any AGM on a resolution to adopt the Remuneration Report are cast against the adoption of the Remuneration Report, the Company’s next remuneration report must explain the Board’s proposed action in response or explain why no action has been taken; and
- if, at the AGM in the following year, at least 25% of the votes cast on a resolution to adopt the Remuneration Report are cast against the adoption of the Remuneration Report, a resolution must be put to the shareholders (**Spill Resolution**) that another meeting be held within 90 days at which all the Directors who were directors when the resolution to approve the Directors’ report for that year was passed, excluding any managing director, would need to stand for re-election (**Spill Meeting**).

Item 3 – Re-election of Frank Ganis as Director

Re-election of Director retiring by rotation

The Company’s constitution requires that an election of Directors, other than a managing director, must be held each year. In addition, the constitution specifies that a Director, other than a managing director, may not hold office for more than three years or beyond the third annual general meeting following the Director’s appointment (whichever is the longer period) without submitting for re-election.

Frank Ganis was last elected as a Director of the Company on 16 November 2022 and has served as a Director of the Company since that date. Frank Ganis is required to retire under the provisions described above and seeks re-election at this Meeting.

Information about Frank Ganis

Mr Ganis has enjoyed a long and successful 45 plus years career in Banking and Finance, retiring from full time executive responsibilities in 2017 after 28 years at Macquarie Group, 17 years as Executive Director.

He is recognised as a pioneer and influential industry leader in Australia having fulfilled broad range of domestic and international business responsibilities including Chair and Board roles, management of global businesses and regulatory, risk and compliance committees.

Mr Ganis currently services as a board member for several public and private companies and various industry advisory roles.

Mr Ganis is a Fellow of the Australian Property Institute (FAPI) and a Graduate of the Australian Institute of Company Directors (GAICD).

Board recommendation

The Board (except Frank Ganis) recommends that shareholders vote **in favour** of this Item.

Item 4 – Approval of capacity to issue securities under Listing Rule 7.1A

Summary of Listing Rule 7.1A

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

Under Listing Rule 7.1A, however, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25%.

An ‘eligible entity’ means an entity which is not included in the S&P/ASX 300 Index and which has a market capitalisation of \$300 million or less. The Company is an eligible entity for these purposes.

Item 4 seeks Shareholder approval by way of special resolution for the Company to have the additional 10% capacity provided for in Listing Rule 7.1A to issue equity securities without Shareholder approval.

If Item 4 is passed, the Company will be able to issue equity securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If Item 4 is not passed, the Company will not be able to access the additional 10% capacity to issue equity securities to issue equity securities without Shareholder approval provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issuing equity securities without Shareholder approval set out in Listing Rule 7.1.

Specific information required by Listing Rule 7.3A

If this resolution is approved, the Company may make an issue of equity securities under Listing Rule 7.1A at any time (either on a single date or progressively) up until the earlier of:

- the date which is 12 months after the date of the Meeting; or
- the time and date of the Company’s next annual general meeting; or
- the date on which Shareholders approve a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking).

At the date of this notice of meeting, the Company is an “eligible entity”, and is therefore able to seek approval under Listing Rule 7.1A, as it is not included in the S&P/ASX300 and has a market capitalisation less than the amount prescribed by ASX (currently \$300 million). If at the time of the

Meeting the Company is no longer an eligible entity, this resolution will be withdrawn.

The maximum number of equity securities which may be issued in the capital of the Company under the approval sought by this resolution will be determined in accordance with the following formula prescribed in Listing Rule 7.1A.2:

(A x D) – E

where:

- A** is the number of fully paid ordinary shares on issue 12 months before the date of issue or agreement to issue:
- (i) plus the number of fully paid ordinary shares issued in the last 12 months before the date of issue or agreement to issue (**Relevant Period**) under an exception in Listing Rule 7.2, other than exceptions 9, 16 or 17;
 - (ii) plus the number of fully paid ordinary shares issued in the Relevant Period on conversion of convertible securities within Listing Rule 7.2 exception 9 where:
 - (A) the convertible securities were issued or agreed to be issued before the commencement of the Relevant Period; or
 - (B) the issue of, or agreement to issue, the convertible securities were approved, or taken under the Listing Rules to be approved, under Listing Rule 7.1 or Listing Rule 7.4;
 - (iii) plus the number of fully paid ordinary shares issued in the Relevant Period under an agreement to issue securities within Listing Rule 7.2 exception 16 where:
 - (C) the agreement was entered into before the commencement of the Relevant Period; or
 - (D) the agreement or issue was approved, or taken under the Listing Rules to have been approved, under Listing Rule 7.1 or Listing Rule 7.4;
 - (iv) plus the number of partly paid shares that became fully paid in the Relevant Period;
 - (v) less the number of fully paid shares cancelled in the 12 months.
- D** is 10%.
- E** is the number of equity securities issued or agreed to be issued under Listing Rule 7.1A.2 in the Relevant Period that are not issued with the approval of Shareholders under Listing Rules 7.1 or 7.4.

The effect of the resolution being passed will be to allow the Company to issue equity securities, which must be in an existing quoted class of equity securities and be issued for cash consideration, under Listing Rule 7.1A without using the Company's 15% placement capacity under Listing Rule 7.1.

As at 24 September 2025, the Company has on issue 88,055,573 ordinary shares and therefore has capacity to issue:

- 13,208,335 equity securities under Listing Rule 7.1; and
- subject to shareholder approval being sought under this resolution, 8,805,557 equity securities under Listing Rule 7.1A.

The issue price of the equity securities issued under Listing Rule 7.1A will be determined at the time of issue. The minimum price at which the equity securities the subject of this Resolution will be issued is 75% of the volume weighted average market price (**VWAP**) of the Company's equity securities calculated over the 15 trading days on which trades in that class were recorded immediately before either:

- the date on which the price at which the equity securities are to be issued is agreed; or

- if the equity securities are not issued within 10 trading days of the date above, the date on which the securities are issued.

If this resolution is approved, and the Company issues equity securities under Listing Rule 7.1A, the existing shareholders' economic interests and voting power in the Company will be diluted. There is a risk that:

- the market price for the Company's equity securities may be significantly lower on the issue date than on the date of the approval of this resolution; and
- the equity securities issued under Listing Rule 7.1A may be issued at a price that is at a discount (as described above) to the market price for the Company's equity securities on the issue date,

which may have an effect on the amount of funds raised by the issue.

The table set out below shows the dilution of existing shareholders on the basis of:

- the market price of the Company's ordinary shares and the number of ordinary securities as at 24 September 2025;
- two examples where the number of ordinary shares on issue (**A**) has increased, by 50% and 100%. This may occur as a result of issues of ordinary shares that do not require shareholder approval (for example, pro-rata entitlements issues) or as a result of future specific placements under Listing Rule 7.1 that are approved by shareholders; and
- two examples of where the issue price of ordinary securities has decreased by 50% and increased by 100% as against the market price as at 24 September 2025.

Variable A for Listing Rule 7.1A.2		\$0.05 - 50% decrease in issue price	\$0.10 - issue price*	\$0.20 - 100% increase in issue price
A is the number of shares on issue, being 88,055,573 shares**	10% voting dilution	8,805,557 shares	8,805,557 shares	8,805,557 shares

	Funds raised	\$660,417	\$1,320,834	\$2,641,667

	Funds raised	\$880,556	\$1,761,112	\$3,522,223

Notes:

- The table assumes that the Company issues the maximum number of equity securities available under Listing Rule 7.1A.
- The table assumes that no options are exercised into ordinary shares before the date of the issue of equity securities under Listing Rule 7.1A.
- The table does not show an example of dilution that may be caused to a particular Shareholder by reason of issues of equity securities under Listing Rule 7.1A based on that Shareholder's holding at the date of this notice.
- The table shows the effect of an issue of equity securities under Listing Rule 7.1A, not under the

Company's 15% placement capacity under Listing Rule 7.1.

(v) *The issue of equity securities under Listing Rule 7.1A consists only of ordinary shares. If the issue of equity securities includes options, it is assumed that those options are exercised into ordinary shares for the purposes of calculating the voting dilution effect on existing Shareholders.*

* *Based on the closing price of the Company's Shares on ASX on 24 September 2025.*

** *Based on the Company's Share structure as at 24 September 2025.*

If this Resolution is approved, the Company will have the ability to issue up to 10% of its issued capital, provided that any equity securities issued under Listing Rule 7.1A must be in an existing quoted class of equity securities, without further shareholder approval and therefore allow it to take advantage of opportunities to obtain further funds if required and available in the future.

As at the date of this notice, the Company has not formed an intention to offer any equity securities under Listing Rule 7.1A to any particular person or at any particular time. The total amount that may be raised by the issue of equity securities under Listing Rule 7.1A will depend on the issue price of the equity securities which will be determined at the time of issue. The Company may only issue equity securities under Listing Rule 7.1A for a cash consideration. While the Company has not formed an intention to offer any equity securities under Listing Rule 7.1A, some of the purposes for which the Company may issue equity securities under Listing Rule 7.1A include (but are not limited to):

- raising funds to further develop the Company's business; or
- raising funds to be applied to the Company's working capital requirements.

Details regarding the purposes for which any particular issue under Listing Rule 7.1A is made will be more fully detailed in an announcement to the ASX made pursuant to Listing Rule 7.1A.4 and Listing Rule 3.10.3 at the time the issue is made. The identity of the allottees of equity securities under Listing Rule 7.1A will be determined at the time the Company decides to make an issue having regard to a number of factors including:

- the capital raising and acquisition opportunities available to the Company and any alternative methods for raising funds or acquiring assets that are available to the Company;
- the potential effect on the control of the Company;
- the Company's financial situation and the likely future capital requirements; and
- advice from the Company's corporate or financial advisors.

Offers of equity securities made under Listing Rule 7.1A may be made to parties including professional and sophisticated investors, existing Shareholders of the Company, clients of Australian Financial Service Licence holders and/or their nominees, or any other person to whom the Company is able to make an offer of equity securities.

The allocation policy the Company may adopt for a particular issue of equity securities under Listing Rule 7.1A and the terms on which those equity securities may be offered will depend upon the circumstances existing at the time of the proposed capital raising under Listing Rule 7.1A. The Company will determine the recipients of equity securities of an offer under Listing Rule 7.1A in accordance with the following factors:

- (a) the purpose of the offer (for example, whether capital is being raised to acquire a new asset or business or to scale the existing business);
- (b) alternative methods for raising funds available to the Company at that time, including, but not limited to, a rights offer, share purchase plan or other offer structure where existing Shareholders may participate;
- (c) the circumstances of the Company including its financial position;
- (d) prevailing market conditions; and

(e) advice from the Company's corporate, financial and legal advisers.

Subject to the requirements of the Listing Rules and the Corporations Act, the Directors reserve the right to determine at the time of any issue of equity securities under Listing Rule 7.1A, the allocation policy that the Company will adopt for that issue.

The Company has not issued or agreed to issue any equity securities under Listing Rule 7.1A.2 in the 12 months preceding the date of the Meeting.

This Resolution is a special resolution. For a special resolution to be passed, at least 75% of the votes validly cast on the resolution by Shareholders (by number of ordinary shares) must be in favour of this Resolution.

The Board recommends that shareholders vote **in favour** of this Item.
