### Item 2 – Adoption of remuneration report

In accordance with the Corporations Act, votes on Item 2 may not be cast in any capacity by or on behalf of a member of the Company's Key Management Personnel (**KMP**) whose remuneration details are included in the remuneration report for the year ended 2018 or any of that person's Closely Related Parties (as defined in the Glossary) unless:

- the vote is cast by such a person as a proxy for a person who is entitled to vote on Item 2 and in accordance with a direction on the proxy form specifying the way the proxy is to vote on the resolution; or
- the vote is cast by the Chair as a proxy for a person who is entitled to vote on Item 2 and the proxy form expressly authorises the Chairman to exercise the proxy even though the resolution is connected directly or indirectly with the remuneration of a member of the KMP.

If you intend to appoint a member of the KMP (such as one of the Directors) as your proxy, please ensure that you direct them how to vote on Item 2. ## Explanatory notes

---

These explanatory notes have been prepared for shareholders in connection with the business to be conducted at the Annual General Meeting (**Meeting**) to be held at 10:00am (Sydney time) on Wednesday, 21 November 2018 at Sundaraj & Ker, Suite 36.03, Level 36, Australia Square, 264 George Street, Sydney NSW 2000.

These notes provide information which the Directors believe to be material to shareholders in deciding how to vote on the resolutions to be put to the Meeting.

If you are in any doubt about what to do in relation to this document or about how to vote on the resolutions to be put to the Meeting, you should seek advice from an accountant, solicitor or other professional advisor.

### Item 1 – Financial report, directors’ report and auditor’s report

As required by the Corporations Act, the business of the Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2018 together with the director’s report, the remuneration report and the auditor’s report. These reports are all included in the Company’s Annual Report, which was lodged with the ASX on 28 September 2018.

The Company is no longer required to send a copy of the Annual Report to shareholders unless shareholders specifically elect to receive a copy. A copy of the Company’s Annual Report is available from the Company’s website at [www.n1holdings.com.au/financials](http://www.n1holdings.com.au/financials).

No resolution is required for this item, but shareholders will be given the opportunity to ask questions and to make comments on the reports. In addition, the Company’s auditor, Suwarti Asmono of Crowe Horwath will be present at the Meeting and shareholders will have an opportunity to ask questions of the auditor in relation to the conduct of the audit and the content of the financial report and auditor’s report.

### Item 2 – Adoption of remuneration report

Section 250R of the Corporations Act requires a listed company to put a resolution to shareholders to adopt its remuneration report for the relevant financial year. The Company’s remuneration report for the financial year ended 30 June 2018 can be found at pages 12 to 17 of the Company’s Annual Report.

The remuneration report explains the Board’s policies in relation to the nature and level of remuneration paid to the Company’s Key Management Personnel (including the Company’s Chief Executive Officer and other senior executives, as well as the Company’s Non-Executive Directors).

The vote on the remuneration report is advisory only and does not bind the Directors or the Company. However, under the Corporations Act:

- if at least 25% of the votes cast at any AGM on a resolution to adopt the remuneration report are cast against the adoption of the remuneration report, the Company’s next remuneration report must explain the Board’s proposed action in response or explain why no action has been taken; and
- if, at the AGM in the following year, at least 25% of the votes cast on a resolution to adopt the remuneration report are cast against the adoption of the remuneration report, a resolution must be put to the shareholders (**Spill Resolution**) that another meeting be held within 90 days at which all the Directors who were directors when the resolution to approve the Directors’ report for that year was passed, excluding any managing director, would need to stand for re-election (**Spill Meeting**).

### Board recommendation

The Board recommends that shareholders vote **in favour** of this Item.

### Item 3 – Re-election of Tarun Kanji

The Company's constitution requires that no Director, other than the CEO, may hold office without re-election beyond the third annual general meeting at which the director was last elected or re-elected.

At each annual general meeting of the Company, if no directors are required to retire for the reason above (or by reason of being appointed by the board and not having been re-elected at a subsequent general meeting) then the director who has held office longest without re-election must retire but is eligible to stand for re-election as a director at that meeting.

#### Information about Tarun Kanji

Tarun Kanji was elected as a Director of the Company on 25 November 2016 and has served as a Director of the Company since that date. Mr Kanji is required to retire under the provisions described above and seeks re-election at this Meeting.

Mr Kanji has nearly 25 years corporate and consulting experience spanning the US, Europe, Asia, Australia and New Zealand. After completing a Commerce Degree at Auckland University he spent over 10 years with international accounting firms spanning corporate advisory, valuation, finance, litigation support, recovery and audit disciplines in New Zealand and Europe. Thereafter Mr Kanji held a number of senior executive roles over 10 years with Fosters Group.

The roles covered a range of disciplines including finance (as a CFO), commercial management, business development, mergers & acquisitions, governance, and strategic development roles.

Mr Kanji currently is involved in a number of internationally focused ventures which includes the commercial globalisation of an evolutionary technology company, focused on the US market. He has held and holds a range of governance roles including:

- Former Independent Chairman of Tomizone Limited (ASX: TOM)

- Former Member - Portfolio Governance Authority (a committee of New Zealand's department of Inland Revenue)
- Former Chairman - Noske-Kaeser Rail & Vehicles New Zealand Limited

- Trustee / Deputy Chairman - Auckland War memorial Museum

Mr Kanji is a Fellow of The NZ Institute of Chartered Accountants Australia and New Zealand as well as a member of the New Zealand Institute of Directors, Certified Practising Accountant of Australia, New Zealand Institute of Directors, Australian Institute.

#### Board recommendation

The Board recommends that shareholders vote **in favour** of this Item.

### Item 4 – Approval of capacity to issue securities under Listing Rule 7.1A

Under ASX Listing Rule 7.1A, certain companies may by special resolution passed at an annual general meeting approve the issue of equity securities which:

- are in the same class as an existing quoted class of equity securities of the Company; and
- do not exceed 10% of the existing ordinary share capital,

without further shareholder approval. The ability of the Company to issue securities under Listing Rule 7.1A is in addition to its 15% placement capacity under ASX Listing Rule 7.1.

Approval under this resolution is sought for the Company to issue equity securities under Listing Rule 7.1A. If this resolution is approved the Company may make an issue of equity securities under Listing Rule 7.1A at any time (either on a single date or progressively) up until the earlier of:

- the date which is 12 months after the date of the Meeting; or
- the date on which shareholders approve a transaction under ASX Listing Rule 11.1.2 (a)

significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking), or such longer period if allowed by the ASX.

At the date of this notice of meeting, the Company is an “eligible entity”, and is therefore able to seek approval under Listing Rule 7.1A, as it is not included in the S&P/ASX300 and has a market capitalisation less than the amount prescribed by ASX (currently \$300 million). If at the time of the Meeting the Company is no longer an eligible entity then this resolution will be withdrawn.

The maximum number of equity securities which may be issued in the capital of the Company under the approval sought by this resolution will be determined in accordance with the following formula prescribed in Listing Rule 7.1A.2:

**(A x D) – E**

where:

- A** is the number of shares on issue 12 months before the date of issue or agreement to issue:
- (i) plus the number of fully paid shares issued in the 12 months under an exception in ASX Listing Rule 7.2;
  - (ii) plus the number of partly paid shares that became fully paid in the 12 months;
  - (iii) plus the number of fully paid shares issued in the 12 months with approval of the holders of shares under ASX Listing Rules 7.1 or 7.4 (this does not include an issue of fully paid ordinary shares under the entity’s 15% placement capacity without Shareholder approval); and
  - (iv) less the number of fully paid shares cancelled in the 12 months.
- D** is 10%.
- E** is the number of equity securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue that are not issued with the approval of Shareholders under Listing Rules 7.1 or 7.4.

The effect of the resolution being passed will be to allow the Company to issue equity securities under Listing Rule 7.1A without using the Company’s 15% placement capacity under Listing Rule 7.1.

As at 5 October 2018, the Company has on issue 81,555,573 ordinary shares and therefore has capacity to issue:

- 12,233,335 equity securities under Listing Rule 7.1; and
- subject to shareholder approval being sought under this resolution, 8,155,557 equity securities under Listing Rule 7.1A.

The issue price of the equity securities issued under Listing Rule 7.1A will be determined at the time of issue. The minimum price at which the equity securities the subject of this Resolution will be issued is 75% of the volume weighted average market (closing) price (**VWAP**) of the Company’s equity securities over the 15 days on which trades in that class were recorded immediately before either:

- the date on which the price at which the equity securities are to be issued is agreed; or
- if the equity securities are not issued within 5 ASX trading days of the date above, the date on which the securities are issued.

If this resolution is approved, and the Company issues equity securities under Listing Rule 7.1A, the existing shareholders’ voting power in the Company will be diluted. There is a risk that:

- the market price for the Company’s equity securities may be significantly lower on the issue date than on the date of the approval of this resolution; and
- the equity securities issued under Listing Rule 7.1A may be issued at a price that is at a discount (as described above) to the market price for the Company’s equity securities on the issue date,

which may have an effect on the amount of funds raised by the issue.

The table set out below shows the dilution of existing shareholders on the basis of:

- the market price of the Company's ordinary shares and the number of ordinary securities as at 5 October 2018;
- two examples where the number of ordinary shares on issue (**A**) has increased, by 50% and 100%. This may occur as a result of issues of ordinary shares that do not require shareholder approval (for example, pro-rata entitlements issues) or as a result of future specific placements under Listing Rule 7.1 that are approved by shareholders; and
- two examples of where the issue price of ordinary securities has decreased by 50% and increased by 100% as against the market price as at 5 October 2018.

Variable A for Listing Rule 7.1A.2		\$0.0475 - 50% decrease in issue price	\$0.095- issue price*	\$0.19 – 100% increase in issue price
A is the number of shares on issue, being 81,555,573 shares**	10% voting dilution	8,155,557 Shares	8,155,557 Shares	8,155,557 Shares
	Funds raised	\$387,388.96	\$774,777.92	\$1,549,555.83

	Funds raised	\$581,083.41	\$1,162,166.83	\$2,324,333.65

	Funds raised	\$774,777.92	\$1,549,555.83	\$3,099,111.66

**Notes:**

- The table assumes that the Company issues the maximum number of equity securities available under Listing Rule 7.1A.
- The table assumes that no options are exercised into ordinary shares before the date of the issue of equity securities under Listing Rule 7.1A.
- The table does not show an example of dilution that may be caused to a particular Shareholder by reason of issues of equity securities under Listing Rule 7.1A based on that Shareholder's holding at the date of this Explanatory Statement.
- The table shows the effect of an issue of equity securities under Listing Rule 7.1A, not under the Company's 15% placement capacity under Listing Rule 7.1.
- The issue of equity securities under Listing Rule 7.1A consists only of ordinary shares. If the issue of equity securities includes options, it is assumed that those options are exercised into ordinary shares for the purposes of calculating the voting dilution effect on existing Shareholders.

\* Based on the closing price of the Company's Shares on ASX on 5 October 2018.

\*\* Based on the Company's Share structure as at 5 October 2018.

If this Resolution is approved the Company will have the ability to issue up to 10% of its issued capital without further shareholder approval and therefore allow it to take advantage of opportunities to obtain further funds if required and available in the future.

As at the date of this notice, the Company has not formed an intention to offer any equity securities under Listing Rule 7.1A to any particular person or at any particular time, however, the approval will cease to be valid in the event that holders of the Company's ordinary securities approve a transaction under Listing Rule 11.1.2 or Listing Rule 11.2. The total amount that may be raised by the issue of equity securities under Listing Rule 7.1A will depend on the issue price of the equity securities which will be determined at the time of issue. In some circumstances, the Company may issue equity securities under Listing Rule 7.1A for non-cash consideration (for example, in lieu of cash payments to consultants, suppliers or vendors). While the Company has not formed an intention to offer any equity securities under Listing Rule 7.1A, some of the purposes for which the Company may issue equity securities under Listing Rule 7.1A include (but are not limited to):

- raising funds to further develop the Company's business;
- raising funds to be applied to the Company's working capital requirements;
- acquiring assets. In these circumstances, the issue of the ordinary shares may be made in substitution for the Company making a cash payment for the assets. If the Company elects to issue ordinary shares for the purpose of acquiring assets then the Company will release to the market a valuation of the assets prior to issuing the shares; and
- paying service providers or consultants of the Company.

Details regarding the purposes for which any particular issue under Listing Rule 7.1A is made will be more fully detailed in an announcement to the ASX made pursuant to Listing Rule 7.1A.4 and Listing Rule 3.10.5A at the time the issue is made. The identity of the allottees of equity securities under Listing Rule 7.1A will be determined at the time the Company decides to make an issue having regard to a number of factors including:

- the capital raising and acquisition opportunities available to the Company and any alternative methods for raising funds or acquiring assets that are available to the Company;
- the potential effect on the control of the Company;
- the Company's financial situation and the likely future capital requirements; and
- advice from the Company's corporate or financial advisors.

Offers made under Listing Rule 7.1A may be made to parties including professional and sophisticated investors, existing Shareholders of the Company, clients of Australian Financial Service Licence holders and/or their nominees, or any other person to whom the Company is able to make an offer of equity securities.

The allocation policy the Company may adopt for a particular issue of equity securities under Listing Rule 7.1A and the terms on which those equity securities may be offered will depend upon the circumstances existing at the time of the proposed capital raising under Listing Rule 7.1A. Subject to the requirements of the Listing Rules and the Corporations Act, the Directors reserve the right to determine at the time of any issue of equity securities under Listing Rule 7.1A, the allocation policy that the Company will adopt for that issue.

The Company has previously sought Shareholder approval under Listing Rule 7.1A. However, in the 12 months preceding the date of the meeting, the Company has not issued any equity securities. Accordingly, no information is required for the purposes of Listing Rule 7.3A.6.

This Resolution is a special resolution. For a special resolution to be passed, at least 75% of the votes validly cast on the resolution by Shareholders (by number of ordinary shares) must be in favour of this Resolution.

### **Board recommendation**

The Board recommends that shareholders vote **in favour** of this Item.
